Irregular

Periodic

On March 27, 2018, the People's Committee of Ho Chi Minh City (HCMC PC) issued the Document No. 1177 / UBND-ĐT regarding the partial conversion of Golden King Office Building, Lot C17-1-1, Area A - New Urban South City. Accordingly, HCMC PC approved the proposal to add a type of office that combines between hotel and short-term residence (officetel), but not increase the population size in Golden King. The Golden King project has been invested by Indochina Real Estate Development and Investment Joint Stock Company and is developed and operated by HQC.

Golden King is located at 15 Nguyen Luong Bang, District 7, Ho Chi Minh City. The project owns the focal point of Phu My Hung new urban area, which has been named as the International Commercial and Financial Center in HCMC. It has two-side fronts of the road (Nguyen Luong Bang and Tran Van Tra) with main park view, Golden King has been inherited a convenient transportation system, spacious and superior infrastructure of the area that easily connect with other Districts of the city in just a few minutes.

Golden King converges the best quality facilities inside and the entire Phu My Hung with its criteria is to bring the most comfortable living and working spaces for residents, like: shopping center, luxurious spa, body care, cinema, food court, entertainment area, etc. Through its superior facilities, Golden King would like to give its residents more conditions and precious time to take care of themselves and their families, and enjoy life in the most perfect way.

The Golden King project has been basically completed and is being handed over and put into operation in Jun. 2018

In continuance to the success of Golden King project, HQC will continue to promote more investment, development and exploitation the officetel that is favored by the market.
